Hatfield and Company is a distributor and manufacturer’s representative of leading technical products and solutions that help our customers improve efficiency and quality, and save money. We specialize in solutions for filtration, instrumentation, valves, safety, and other piping related products. We consider our customers to be our partners and we are committed to being fair, ethical, and honest... every time.

Hatfield and Company currently has Sales Offices located throughout the United States in Illinois, Indiana, Louisiana, Oklahoma, and Texas. We also service and provide technical products and solutions for customers in Alabama, Arkansas, Iowa, Kansas, Michigan, Mississippi, Missouri, New Mexico, Ohio, and Tennessee.
